<https://archive.fo/nAgwG#selection-5926.0-5926.1>

Emily Brooke Davis AKA RealTrophyWifey and RealTrophyWifee is a (36) year old resident of Vero Beach, Florida.

Emily is a rabid racist and anti-Semite who actively organizes both online and real-life action to coordinate campaigns of harassment and disparagement targeting Jewish people above all else.

Emily organizes with a small group of rabid anti-Semites called the [Goyim Defense League \(GDL\)](https://goyemdefenseleague.wixsite.com/home) whose primary target of hate are Jews.

Emily posed in [GDL merchandise](#) in photo above (photo of her in the merch is also on a GDL merch website, which is not named to avoid driving any traffic to it).

Emily is a self-described Infidel, White Nationalist and “White Aryan Woman”. The two lightning bolts ([SS Bolts](#)) present in her profile represent Nazi imagery of the SS (Gestapo) from Nazi era Germany. <https://archive.fo/nAgwG>

The New Zealand situation was a PsyOp. It never happened. A Hollywood Level Production to upset the masses to pass more anti white laws. They faked the 6 million before all the technology & special effects we have now. They want all Goyim to fight eachother. (((They))) want blacks, whites, Hispanics, Asians, etc to hate eachother and fight while (((they))) oppress all of us. But you won't hear me though. Edit: & dont come at me with "but the Live video".... As if we dont pre record videos, then go Live to watch them together all the time. Remember they made Schindler's List too & people still cite that as source for something that literally never happened.

Like many [14/88 neo-Nazis](#), Emily's comments, posts, podcasts and livestreams discuss extreme (not to mention bigoted) conspiracy theories. Above, you can see her claim the mass murder of Muslim worshipers in Christchurch, NZ was a "False Flag"

Emily frequently uses [Echoes \(\(\(\)\)\)](#) in her writing. These are an anti-Semitic symbol initially created and amplified by neo-Nazi podcaster, [Mike Enoch Peinovich](#) of "[The Right Stuff](#)".

As found on other social media sites, Emily's antisemitism gets worse on her Gab account. Insisting Jews are not white, spreading conspiracies that the alt-right is run by Jewish Supremacists, and cheering that the GDL was able to sneak the word Goyim (considered a generally offensive anti-Semitic slur).

Emily's featured video is one of her calling in to the Jesse Lee Peterson show to share her opinions on Jewish supremacy (and [Great Replacement conspiracy theory](#)).

Emily grew up in Fairfax, Virginia. She later moved to Vero Beach, Florida. She opted to keep her VA cell phone number however, and has not attempted to mask her identity by changing her date of birth (at least on Facebook).

Emily's Soundcloud account is as vile as the titles of the podcast clips would lead one to believe. She refers to Adolf Hitler as her uncle, goes far beyond "race" advocacy and actively attempts to persuade that a "Zionist Occupied Government" is trying to exterminate white people.

Just a handful of the folks that Emily follows on Gab include many notable neo-Nazis and white supremacists, such as NoWhiteGuilt ([Jason Köhne](#)), JackCorbin ([Daniel McMahon](#)), EmperorInvictus ([Augustus Sol Invictus](#)), Illegal_Aryan ([Mark Daniel Reardon](#)), Renee Baum Griffin (wife of [League of the South's Bradley Dean Griffin](#)), Rape Advocate Roosh ([Daryush "Roosh" Valizadeh](#)), the NJEHA ([New Jersey European Heritage Association](#)) and Nordic Frontier (The [Nordic Resistance Movement](#))

As the article indicates, Emily's social media use is extensive.
